## VICTIM OF CRASH WAS COMING HOME

RAYMOND C. STEPHENS WAS  
ENROUTE TO KANKAKEE  
FROM CALIFORNIA

## WELL KNOWN HERE

Body Expected To Arrive Here  
Next Week. Funeral Is  
Not Arranged Yet

Confirmation has been received by  
this office establishing the death  
of Raymond C. Stephens, 820 North  
Chicago avenue, yesterday morning  
at Los Angeles, in a bus-  
trolley accident. Mr. Stephens was 21  
years of age.

He is survived by his parents, Mr.  
and Mrs. Charles B. Stephens, 820  
North Chicago avenue, and two sis-  
ters, Mrs. Myrtle Stephens Natt-  
son and Mrs. Melvin Goodwin.

Mr. Stephens was enroute to the fu-  
neral home in Kankakee. It is  
expected that the body will be here  
next week or Thursday of next  
week.

The young man went to California  
last June and obtained work as  
a mechanic in a maintenance gar-  
age of a Southern California tele-  
phone company at Los Angeles. Two  
weeks ago because of lack of work,  
he was laid off, and at the time of  
his death was enroute to his home  
in this city.

Stephens is a member of the  
Central Christian church, and was  
well known and liked in this city by  
many friends. Prior to his removal  
to the west coast, he was employ-  
ed at the Kankakee post office as a  
special carrier.

First news of the tragedy was  
received by the family from the  
Daily Republican's Associated Press  
bureau, through Mrs. Edward J.  
Pittman, 819 North Chicago avenue.

The accident occurred about 9:27  
o'clock yesterday morning when an  
eastbound Pickwick Greyhound bus  
was struck by a westbound Santa  
Fe mail train near Isleta. Twenty  
passengers of the bus were killed,  
and eight were seriously injured.

Local news of the tragedy was  
received by the family from the  
Daily Republican's Associated Press  
bureau, through Mrs. Edward J.  
Pittman, 819 North Chicago avenue.

## FREIGHT CARS ARE WRECKED NEAR ST. ANNE

FAST NORTH BOUND TRAIN  
OF C. & E. I. RAILWAY  
CRASHED TODAY

## GREAT DAMAGE

Nineteen Cars Wrecked, Rails  
Torn Up, And Wicket  
Depot Damaged

St. Anna, Ill., April 12.—(Special)—  
What is described as one of the  
greatest wrecks in the history of  
the Chicago and Eastern railway, in  
point of damage to rolling stock  
and roadway, and a resultant tie-up  
for railway traffic, occurred near  
this village at about 2:00 o'clock this  
morning when a fast north bound  
freight train was partially wrecked.  
It is reported that on one was in-  
jured.

At least nineteen cars were wreck-  
ed, it is reported, and about 500  
feet of track was torn up. It is said  
that the wreck was caused by a  
broken arch bar, a metal coupling  
which connects the wheels of the  
trucks on a car together.

The wreck occurred about two  
miles north of St. Anna, near the  
Wicket depot. As the wrecked cars  
piled up, several of the cars were  
thrown against the depot, which  
was damaged. Thousands of people  
came to view the wreckage. It is  
thought that it will be some time  
before traffic can be resumed, but  
the work of clearing the wreckage  
and repairing the tracks is being  
rushed ahead rapidly.

the Kankakee and Watseka clubs  
will start next Monday and continue  
through the month of May. The

ners at a dinner.

today at Susan's store.

## City Council Members To Be Chosen At City Election Next Tuesday

SEVEN REGULAR REPUBLICAN CANDIDATES ARE ALL WELL  
QUALIFIED AND WERE REGULARLY NOMINATED AT THE  
CITY PRIMARIES SEVERAL WEEKS AGO.

Seven regular Republican gentle-  
men, leaders in the community and  
representing the highest in integrity,  
ability, and honor among the people  
of Kankakee, are candidates for al-  
dermen of the wards in which each  
reside, to be given the final endorse-  
ment of the people at the city elec-  
tion next Tuesday, April 15.

They were all nominated on the  
regular Republican ticket at the  
city primaries several weeks ago.  
Four of them are candidates for re-  
election, submitting their candidacies  
to the people on the strength of  
their previous records in city council.  
The other three have never held  
office before, but are well qualified  
in experience, ability, and good judg-  
ment to serve the people of their  
respective wards.

They are as follows: Herman G.  
Kuntz, first ward; Clarence J.  
Speicher, second ward; Alex C.  
Goetzler, third ward; John Savage,  
fourth ward; August J. Chouinard,  
fifth ward; George H. Cooley, sixth  
ward; and Myron Deneau, seventh  
ward.

Alex C. Goetzler  
Alex C. Goetzler is truly the can-  
didate of the people in the third  
ward. He submitted his name for  
the aldermanic office at the pri-  
maries on February 25th, and de-  
feated his opponent by a majority  
of 193 ballots to 6. Both names were  
submitted by their friends of the  
Republican party. Defeated in the  
primary, Mr. Goetzler's opponent  
now chooses to run by petition on  
some vague party name, another  
instance of party loyalty on behalf  
of the Emerson crowd of the  
wrong color.

Mr. Goetzler, although seriously  
crippled, making walking difficult,  
is personally calling at the home of  
each voter in the third ward and  
presenting his qualifications. He has  
been a resident of this city and of  
the ward for a great many years.  
Unlike many people when handi-  
capped as he is, with less determi-  
nation and grit, he has succeeded  
in making his own way through life,  
raising a splendid family who are  
comfortably housed in as beautiful  
a home, built through his own ef-  
forts, as one would care to see.

## MIDDLE WEST COOLS A BIT

Chicago, April 12.—(AP)—The middle  
west, which got hot Thursday and  
Friday, had cooled off today in a  
hurry.

A shift in the wind sent the tem-  
peratures in Chicago from 80 degrees  
down to 72 in four minutes yester-  
day. Before an hour had passed,  
the reading was 52. Cloudy and con-  
tinued cool was today's weather pro-  
phecy.

Light rains over South Dakota  
helped get the temperature back  
where it belonged, and thunderstorms  
in eastern Iowa did away with tem-  
peratures which had gone as high  
as 94 degrees in Cedar Rapids.

Forest fires occurred in Iowa and  
Indiana. One hundred farmers fi-  
nally put down a fire that threaten-  
ed the villages of Shueville and  
Solon, Ia., after it had destroyed a  
200 acre stretch of timber.

## PROHIBITION AGENT SLAIN BY A NEGRO

Washington, April 12.—(AP)—Lamar  
W. York, a Federal prohibition agent  
was shot and killed here early to-  
day by a man identified only as a  
negro whom he had arrested.

He had taken two negroes into  
custody on a liquor charge. They  
jerked away and ran, one of them  
turning and firing once. The Pro-  
hibition agent was hit in the head.  
Two negroes were subsequently ar-  
rested and are being held for in-  
vestigation.

## SIX TEAMS PLAYING IN CAGE MEET

DIVISION BASKETBALL TOUR-  
NAMENT TODAY AND  
TOMORROW

## KANKAKEE ARMORY

Spectators Will See Games Fully  
As Exciting As Those Of  
College

Six high class basketball teams,  
with fully as much fighting spirit,  
training and knowledge of the game  
in all of its departments, and inter-  
team rivalry as are found in many  
of the college games, will compete in  
the Division Basketball tournament  
to be played at the Kankakee Ar-  
mory today and tomorrow.

The 202nd Coast Artillery (A-A)  
team won the Chicago City league,  
winning all games. The 108th Med-  
ical Regiment team was runner up  
in the league and crowded the 202nd  
Coast Artillery (A-A) all during the  
season. The 124th Field Artillery  
team got third place in the City le-  
ague.

The 108th Medical Regimental  
team did not participate in the City  
league due to the fact that they  
were not organized in time to enter  
the league, but their athletes have  
made up for lost time and will doubt-  
less make a very excellent showing  
in the tournament. The 106th Cal-  
vary Regimental team is composed of  
the star athletes of various cavalry  
teams down-state. The husky cow-  
boys always manage to be close to  
the top in previous tournaments. The  
129th Infantry Regimental team is  
also composed of the All-Star men of  
the entire regiment and will have  
several of last year's state champions  
on its present team.

The games will be held as follows:  
First game 1:30 Saturday p. m.;  
second game will be at 2:30 p. m.;  
third game 6:00 p. m., fourth game  
9:00 p. m.; fifth game will be on  
Sunday afternoon (consolation) at  
2:00 p. m. The championship game  
will be held at 3:00 p. m.

Admission will be fifty cents. Funds  
received in this manner will be turned  
in to help defray the traveling  
expenses of the teams.

It is impossible to get the names  
of the enlisted men participating.  
The team coaches are as follows:  
Captain H. H. Baum, 108th Med.  
Hest. 1st Lt. Haggerty, 202nd C. A.  
C. Captain L. W. Jones, 132 Inf.  
Captain P. H. Schuurman, 124th F.  
A.

## W. M. SPIVEY, 74, FRACTURES SKULL

W. M. Spivey, age 74, has been re-  
moved from St. Mary's hospital to  
the Kankakee State hospital. The  
aged man is suffering from a frac-  
ture skull which he incurred when  
he fell from a truck on Tuesday,  
striking his head upon the pave-  
ment at the intersection of Cobb  
boulevard and Lincoln avenue.

Mr. Spivey was on his way to  
vote when the door of the truck ac-  
cidentally swung open and he fell  
out. He had made his home the past  
four years with Andrew Hoskins at  
995 South Osborn avenue. A son,  
Fred, resides at 655 East Chestnut  
street.

## UNDEVELOPED CHILD FOUND IN THE RIVER

BODY OF MARY DOE WAS  
HOOKED BY FISHERS  
YESTERDAY

## CRIMINAL ACT

Inquest Held Immediately At W.  
A. Yates Undertaking  
Establishment

Mary Doe number two, an un-  
developed babe was found in the  
Kankakee river late yesterday af-  
ternoon.

The body was found by Frank  
Simms, 192 South Fraser avenue,  
and Gilbert Klesling, of the same  
address, who were fishing on the  
east side of the river in Alpinar  
Park at a point about midway be-  
tween Merchant street and Court  
street. Mr. Klesling was casting, and  
at about 20 or 25 feet from the  
river bank his hook lodged on a  
object which he believed was a sub-  
merged stick. He reeled in his line  
and found that the object was a  
small bundle, wrapped in a piece of  
gunny sack.

The two men opened the bundle  
and found another wrapper inside,  
described as a fragment of light  
blanket cloth, or a piece of table  
cloth. Inside, they found the tiny  
body of the child. The bundle had  
been weighed down with a rock.

The two men notified the police  
department and Coroner O. J. Car-  
tier, and the body was taken to the  
W. A. Yates undertaking establish-  
ment, where Mr. Cartier conducted  
an inquest immediately.

Mr. Simms and Mr. Klesling de-  
scribed finding the body. Mr. Yates  
testified that the body was that of  
a female child, and that it apparently  
had been in the water for some time.

The jury, composed of B. Brown,  
M. J. Curtis, L. F. Burford, J. J.  
Berg, Arthur L. Betourne, and Ed  
Rignans, returned a verdict that  
the child had come to its death by un-  
due means.

At the age of this child, if the  
persons responsible for death could  
be apprehended, the death would  
be considered murder. A small mark,  
which is believed to be a laundry  
mark, was found on the inner wrap-  
ping, and this mark may lead the  
authorities in making an investigation.

The number two designation was  
made since this is the second fe-  
male child found under similar cir-  
cumstances during Coroner Car-  
tier's administration. The little body  
will be placed in a small casket and  
buried in a cemetery, as required by  
law.

## PLANS FOR EASTER SUNRISE SERVICES

Through the Presbyterian church  
and the Y. W. C. A. the All-City  
Young People's Organization has  
planned for a big Easter Morning  
Sunrise Service for all the young  
people of the city. The service,  
which will begin at 6:00 A. M. at  
the church, will be followed by a  
breakfast served by the Religious  
Committee of the Y. W. C. A. at  
the Y. W. C. A. building at 7:15  
o'clock.

The Presbyterian Young People  
will have charge of the program  
which will consist of song, worship,  
special numbers, and a talk. The  
program will be announced in de-  
tail next week.

This will no doubt be a beautiful  
and impressive way to start the  
Easter Day, which is always a day  
of worship, and a large group of  
Kankakee young people is expected.  
Everyone is welcome and urged to  
come in at any time and go out  
when they must.

The Rev. J. H. Ansberg, president  
of the Alliance, will preside at Mon-  
day's meeting. An offering will be  
taken daily to defray expenses.

## CITIZENSHIP CLASS

The American Legion Citizenship  
will open Monday evening, April 14,  
at the American Legion home. All  
those wishing to prepare for their  
second papers are urged to attend,  
in order to be ready for the May  
term of court. Classes will open at  
7:30 o'clock.

## Kankakeean Contributes To The Wake

The following item, appearing in  
"The Wake Of The News" in a Chi-  
cago paper today, signed by "B. E.  
B." (Burt E. Burroughs) is of in-  
terest to old-timers in Kankakee  
county, inasmuch as the Mix family  
were one time residents of Kan-  
kakee, residing in South Dearborn  
avenue, below Merchant street. Mrs.  
Mix was a sister of John B. Drake.

## EARLIER CHICAGO

Dear Wake, A time stained letter  
of 80 years ago, written by Chicago's  
first mayor, W. B. Ogden, dated  
July 16, 1849, addressed to James  
Mix, Rockville (now Kankakee), a  
business associate of Dr. Hiram  
Todd, one of the earliest settlers on  
the Kankakee, has just come to light.

The letter shows that Mr. Ogden  
was holder of large real estate in-  
terests in territory now known as Kan-  
kakee and Iroquois counties. The  
postscript reads:

"The cottonwood seed you wished  
is gathered for you. How will you  
have it sent, to you or to Momenoe?  
Any one coming to town from there  
might call for it. I sincerely hope  
Dr. Todd's illness may not prove as  
serious as he and his friends ap-  
prehend and that he may yet re-  
cover from it. Very truly yours,  
W. B. Ogden."

Dr. Todd was dead and buried in  
his own dooryard at Rockville at the  
time this letter was penned, his  
death having occurred a few days  
before. The only communication be-  
tween Rockville and Chicago was  
the weekly stage coach. Dr. Todd  
was the first purchaser of an Indian  
reservation on the Kankakee, first  
postmaster, first practicing physi-  
cian, first to survey a township  
(Momenoe), and was known to the  
postoffice as "The Medicine  
Man."

## HOLY WEEK SERVICES AT MAJESTIC

OPEN MONDAY NOON UNDER  
AUSPICES OF MINIS-  
TERIAL ALLIANCE

## DR. BRANCH SPEAKER

"Christ's Ministry And Passion  
In Art" Will Be General  
Subject

The city series of noontide Holy  
Week services, already announced,  
will open on Monday at the Ma-  
jestic theatre, under the auspices of  
the Kankakee Ministerial Alliance.  
This will be the fifth successful se-  
ason that such services have been  
held, each year adding to their ap-  
peal and impressiveness.

The program for the coming ser-  
ies undoubtedly will prove the most  
attractive and profitable yet offered.  
Dr. Harold F. Branch of Chi-  
cago Heights will be the speaker  
each day. The general subject of  
the series will be "Christ's Ministry  
and Passion in Art." The opening  
address on Monday will be on Da-  
Vinci's masterpiece, "The Last Su-  
per." Copies of the picture will be  
distributed to the congregation to  
assist in the study.

Miss Kempen's daily organ recital  
will be a feature at the services  
which many will not want to miss.

It is earnestly hoped that larger  
congregations than ever, not only of  
homefolk, but of downtown business  
and professional people as well, will  
take advantage of the opportunity  
thus offered for quiet meditation  
and prayer. The meetings will be  
open each day promptly at 12:10, and  
close at 12:55, but worshippers may  
come in at any time and go out  
when they must.

The Rev. J. H. Ansberg, president  
of the Alliance, will preside at Mon-  
day's meeting. An offering will be  
taken daily to defray expenses.

## SUNDAY SERVICES

An unusual musical treat in hon-  
or of Palm Sunday has been ar-  
ranged for the evening services at  
the First Presbyterian church to-  
morrow, which worshippers at this  
sanctuary will greatly enjoy.

A band of high school students,  
numbering about twenty-two mem-  
bers, under the leadership of Prof.  
Joe Johnson will render a fine pro-  
gram, their selections including:

## CORONER'S JURY DEMANDS DR. EDMONDSON APPOINT REGULAR NIGHT PHYSICIAN

UNABLE TO FIX BLAME FOR FRACTURED HIP WHICH CON-  
TRIBUTED TO DEATH OF ETHEL FABING; REPRIMAND  
OFFICIALS FOR NOT HOLDING AN INQUEST AT TIME OF  
DEATH.

"We, the jury, find that the deceased, Ethel Fabing, came  
to her death from pulmonary tuberculosis superinduced by a  
fracture of the right hip; cause unknown. We recommend that  
the managing officer, Dr. George S. Edmondson, appoint a  
night physician. We find that the officials of the Kankakee  
State Hospital were negligent in not notifying the coroner at  
time of death. If an inquest was held at time of death, cause  
of injury might have been determined."

The above verdict was returned by the jury today at the in-  
quest into the death of Mrs. Fabing, a patient at the state  
hospital, whose body was exhumed at Mount Calvary cemetery  
a week ago upon the order of Coroner Octave J. Cartier.

Upon receiving information from relatives of the dead  
woman that she had suffered an injury three weeks prior to  
death, Coroner Cartier exhumed the body and had X-ray  
photographs taken which revealed that the patient's right hip  
was fractured. Mr. Cartier then notified State's Attorney T. R.  
Johnston and Assistant State's Attorney Charles W. Kurtz who  
subpoenaed doctors and attendants at the hospital in an effort  
to determine who was responsible for the injury which was con-  
tributory to the woman's death.

## Died February 22

Mrs. Fabing died on Feb.  
22. Her broken hip was dis-  
covered by Dr. O. A. Schmidt  
upon her admission to the hos-  
pital ward January 29. Dr.  
Schmidt stated that the injury  
must have been received some-  
time between 8 o'clock in the  
evening of January 28 and 1  
a. m. on January 29.

The jurors condemned the  
practices of the present hos-  
pital heads in not holding in-  
quests into deaths where pa-  
tients die as the result of in-  
juries. The injury slips and  
other information available at  
the time of Mrs. Fabing's death  
have disappeared.

## Probe Falls

Dr. G. W. Morrow, assistant man-  
aging officer, was recalled to the  
witness stand today and said that  
he was unable to fix any respon-  
sibility for the injury as a result  
of the investigation which he conducted  
among physicians, attendants and  
patients in the ward. He was also  
unable to recall which, if any, staff  
officer decided that it was not a  
case for the coroner although he  
stated that he believed Dr. Edmondson  
told Dr. Schmidt to sign the  
death certificate giving tuberculosis  
as the cause of death and in which  
no mention was made of the in-  
jury.

Dr. Schmidt admitted that he  
sought the advice of his superiors  
in order to determine how the death

Andrew Darter, Chicago, was ar-  
rested last evening by Officer Gene  
LaFontaine for speeding and reck-  
less driving on North Indiana ave-  
nue. He left a \$10 bond for his  
appearance before Judge Bert L.  
Fitzgerald this afternoon.

and fined \$100 in county court yes-  
terday, is not a resident of Brad-  
ley. He resides in this city.

## GRANT PARK BABE FOUND DEAD TODAY

Homer Vander Molen, two-months  
old son of Mr. and Mrs. Adolph Van-  
der Molen residing on East Taylor  
street in the village of Grant Park,  
was found dead in his crib at 6  
o'clock this morning.

The body was found by the father,  
the baby, which had been in good  
health, apparently died of convul-  
sions during the night. Coroner Car-  
tier conducted an inquest into the  
death at 1:30 o'clock this afternoon  
in Grant Park.

## The Weather

Partly cloudy tonight and Sunday,

## JACQUELINE ON HER OWN

by RICHARD STARR

Chapter 21

TEDDY DECLARES HIMSELF

The day passed in the modest

miserable days Jacqueline could

remember.

She went to forget Teddy and to

plunge into the whirl of life. She

found that to spend money was

easy and in solitary grandeur

was not in the least amusing and

not very exciting.

She went to the Savoy for dinner.

She sent to the opera, and hap-

pened to be on "She did not like

opera, and wondered vaguely what

she was doing there. She knew

that distinguished people always

went to the opera; so she went

and was rightfully bored.

She could not understand it. Try

ing to see the crowd of that one

evening in the distant past, when she

had dined at the Savoy and gone

to the opera afterwards at the cost

of ten pounds.

She spent a great deal more now

and on top of this had a shock

when the hotel people presented

her with a bill for over 400.

But she did not care. She wrote

checks and saw her little fortune

diminishing with indifference.

What did it matter? If this was

the life of the wealthy—of those

magical people who could do as

they pleased—then why not?

There was nothing in that. And

**Primary Election.** The Primary Election that was held here at the Village Hall, Tuesday was a very quiet affair in comparison to reports coming from some other voting precincts. The exact number of ballots cast is not known to the writer but the total was near the 250 mark. But 13 Democratic ballots were cast; nine for U. S. Senator with Lewis the winner by 5 votes. Barrett received 8 votes and his opponent 1. With the exception of Representative at Large and in the General Assembly the remainder of the candidates both for state and county offices were without opposition. This was a striking contrast to the lengthy Republican ballot where for nearly every office with the exception of 1 for state and 2 of the county there were at least 2 candidates. Mrs. Luebow received 109 votes with Jenkins in second place with 69. Buck was the favorite for treasurer, 118 ballots having been cast in his favor. Blair was high man with a majority of 98. In the long list of candidates for Representative in Congress at large Yates was the favorite with Smith 25 votes behind him. Huckins received 98 votes and his opponent 60. 144 1-2 votes were cast for Topping and Sawyer was next highest with 129 1-2. Kraft received 99 and Harville 66 votes. Judge John Gillan had no opponent in the race for the candidacy for Judge of Iroquois county. The liveliest competition was for county clerk, sheriff and county treasurer. Skeeters and Weavers each received 92 votes, the other three candidates 31, 6 and 10 respectively. In the race for sheriff Brown ran the highest having received 110 votes, the next highest of the four candidates was Phelps with 993 votes. That Mrs. Brown was the choice of the voters of Martinton township was shown when she had 131 ballots cast in her favor, the other two candidates receiving 56 and 37. One hundred and fifty nine of the 2,264 majority that nominated Kamp for coroner were cast here. Madison, the other candidate received 67 of the Martinton votes. Merle Baron and L. J. Snider, both residents of Martinton were out for the nomination for precinct committeeman and when the last count was made Baron had 123 votes and Snider 113. From latest reports the county nominees are clerk Gilbert Edwards by a plurality of 291. Sheriff Earl Phelps by a majority of only 1 vote over Phil Brown. Treasurer, Mrs. Ruthanna Brown, with 1324 votes ahead of his nearest opponent, Kietzman and Wilbur Kamp with a majority as previously stated. The oldest voter to cast a ballot here and possible in Iroquois county at

this election was Mrs. Jennie Edison who despite her ninety and nearly a half years was able to walk to the polls a distance of about three blocks. The election board was composed of A. J. Nourie, Chas. Hathaway, J. I. Lyman, Mrs. Mary Wehlinski Mrs. Lillian Pilotte and Mrs. Ruby Langelier. It was some after 2 a. m. when their duties were completed.

## Golden Wedding.

It was fifty years ago on April 1st that Mr. and Mrs. Chas. Lareau plighted their troth in the holy bonds of matrimony and the happy event was quietly but in a most pleasant way celebrated at their home here Sunday. Owing to illness and other unavoidable circumstances only four of their eight children could come and spend the day with them and the thoughts of these absent ones was the only thing to bring a shade of unhappiness to this otherwise happy and long to be remembered affair. The guests brought an abundance of delicious viands that made a most tempting repast that was one of the many pleasing features of the day. Mrs. Lareau was born near St. Anne sixty-six years ago where she grew to young womanhood. Although her life was dispirited for some years ago she is now enjoying the best of health with the appearance of being at least ten years younger than she is. Mr. Lareau began his sojourn here on a farm near Beaverville seventy-two years ago and though he is not as robust as some at his age he is able to be about and assist in some of the lighter tasks about their home. With the exception of the ten years that he and Mrs. Lareau spent in Kansas in the early years of their wedded life, Mr. Lareau has been a resident of Iroquois county. They were farmers by occupation being for a long time tenants on various farms in Martinton township. They resided for a number of years on the Wm. Fidler farm west of here and it was there that they retired from farm life and moved to their present home less than twenty years ago. Mr. and Mrs. Lareau recently returned from a four month's visit with relatives at Aurora and Elgin. Friends extend hearty congratulations with best wishes that they may live to enjoy many more happy years together. Their guests Sunday were their pastor, Fr. Vian and their son-in-law and daughter, Mr. and Mrs. Meddie Soucie of Martinton and another daughter, Mrs. Henry Regnier and husband of Bradley and their son and daughters in laws, Mr. and Mrs. Chas. Lareau of Beaverville and Mr. and Mrs. Henry Lareau of Aurora. The presence of one of their granddaughters and four grandsons, Elsie Marie Laureau of Aurora and LeRoy, Marcell, Raymond and Arnel Regnier of Bradley made this happy day a happier one for grandpa and grandma Lareau.

**Obituary.** Once more this community has been most forcibly reminded of the uncertainty of life and the certainty of death by the sudden and tragic death of one of its very highly esteemed citizens, Mrs. Mike Toume whose passing away causes one to recall that passage of scripture, "Whereas we know not what shall be tomorrow. For what is life?" The death summons came quickly and without warning gaffing spending a happy day with relatives at Beaverville and occurred when she was struck by an automobile driven by P. J. Taylor of Lansing, Mich. while she was walking across the Dixie highway less than a mile south of Martinton at about 6:30 Sunday evening.

While her death has brought sorrow to friends and relatives, a stranger too grieves for Mr. Taylor regrets with all sincerity that although he risked his own life and that of the other occupants of his car in endeavoring to avert the accident he was unable to save Mrs. Toume's life.

Cecelia Jarvis, daughter of Mr. and Mrs. David Jarvis was born six miles west of Kankakee on April 17, 1879 and died near Martinton on April 8, 1930. Her early childhood days were spent at the place of her birth until she was eight years old when her parents felt the call to go west and moved to western Kansas. In 1888 they left their Kansas home and became residents in the east where they lived in Michigan and Nebraska. In 1901 she was united in marriage to Michael Toume at Ashkum. A number of years ago, Mr. and Mrs. Toume purchased what is known as the Peter Coash farm located about six miles southwest of Martinton. Being progressive and energetic they have made it into an idea country home with expectations of spending many happy years together there. Now this home is a desolate one to the bereaved husband as he is left alone, no children having been born to this union. Mrs. Toume, by her friendliness and kindness won the friendship of both young and old. It can truthfully be said of her that a host of friends will miss her sunny smile and cheery words. Our departed friend was a loving wife and a hospitable and helpful friend and neighbor. The deceased is survived by her sorrowing husband and one sister Mrs. Tillie Ponton of Ewing, Neb. and four brothers, David of Lyons, Neb., Arthur of Bancroft, Neb., George of Parkston, S. D., Leon of Veinmillion, S. D., Noah of Los Angeles, Calif. and Rovenau of Council Bluffs, Iowa. Among the other near relatives none mourn her departure more deeply than does her niece, Miss Florence Ponton who witnessed the accident that so suddenly deprived her of a beloved aunt. Miss Ponton had arrived here from her home in Ewing, Neb., a few days before the accident to spend the summer at the Toume home. Mrs. Toume was a life long member of the Catholic church and a com-

municant at the St. John the Baptist church at L'Erable where the last sad rites were held for her on Wednesday, April 9. Interment was made in the cemetery nearby. ## Keep Them in a SAFE DEPOSIT BOX

INSURANCE policies, income tax reports, contracts, deeds, and other important documents are too valuable to risk in desk drawers or insecure hiding places.

The safe and convenient place to concentrate your business and personal records is a deposit box in our vault.

Here they will be permanently protected, and quickly available whenever you want to refer to them.

Our vault is easily reached—just a step from the street—accessible at any hour of the business day. Boxes suitable for individuals are available at the minimum rental charge.
